To—The Deputy Commissioners, Treasury Department.

To avoid delay in the issue of pay to Forest subordinates, and to secure uniformity in the preparation of bills for various establishments and in the system of payment to them, the Comptroller has the honor to request that a separate bill for each establishment may be prepared in duplicate and sent by the Range Officer on the last day of each month to the District Forest Officer who, after necessary check, will countersign and return the original bill to the Range Officer for encashment at Taluk Treasuries. On the 25th of each month in which payment was made, or immediately after the bills of all establishments have been passed, a consolidated bill for the whole district should be prepared in the District Forest Office from the duplicate copies filed in that office, and sent to the District Treasury for submission in support of the total debits in the list of payments, together with the several bills passed for each Forest establishment attached thereto as sub-vouchers.
